I'm going to start sending the police to your house every night until I speak to dalilah I've started calling day camps around a Bozeman to get in touch with my daughter if you do not allow me to talk to her in 10 min agape will be the first place i sendthe police to look for her im done being passive
8:17 AM

Angie New Number
And if that is not the day camp i will continue down the line
8:17 AM

Angie New Number
Its ashame that your using your daughter as a tool. What's even worse your not thinking about the long run for D. I'll try again tomorrow to talk with her.
7:12 PM

Me
Mom, why are u doing this to me, all I want to do is spend time with my friends at camp and j dont understand why ur being immature about it I just want u to chill and all I want to do is have fun during the summer so please. I'm beginning you please let me hangout with my dad and friends so please just calm down for me 🙏🙏❤️
7:18 PM

Angie New Number
Dalilah I know you want to just chill with your Dad and enjoy your summer. There is nothing i am doing to prevent that from happening. I am very calm. You have to remember I'm your mother and you have been speaking to me crazy since you have been with your Dad. We will deal with that when you get home. In the meantime I want you to jog your memory and remind yourself that the kind of disrepect you are showing me is unacceptable. You know right from wrong. I have raised you better then this. I hope your able to open your eyes baby. I love you and miss you tons! So do your dogs! 🐾🐾🐾🐾
7:37 PM

Me
That is how I am feeling so please try to change for I can have a better time with my dad . I understand you want to talk to me but there is no need to threaten to call the police and send them to my camp if u were calm you wouldn't even think about doing so and all I want is for u to not be mean to dad or Cerissa and I just want to enjoy my time with my dad but u saying rude things to Cerissa,my dad and me doesn't make it easy so plz let down some walls and know that I love you but I just want to spend time with my dad
7:45 PM

Angie New Number
Lol
7:45 PM

Me
Wow mom Cerissa and my dad agreed not to say bad that's about you for I can enjoy my summer more and I dont understand why you would be Inconsiderate on how I am feeling, maybe that is why I dont like to talk about my feelings because I feel like it going to make me feel bad about it, like saying "lol" its really hurtful
7:53 PM

Angie New Number
I have not said one bad thing about anyone in either message. I have not been inconsiderate of your feelings. I'm laughing at the last message because it's so ridiculous. I feel as if I'm not even speaking to Dalilah but to James or Cerissa. I laugh that we are even having this conversation and that we are having it via text messages.

8:06 PM

Angie New Number
Dalilah don't ever think I don't love you. There is nothing more further from the truth. I love you more then I love myself. You are a part of me. No one or anything can ever change how much I love you. There's nothing that compares to a mother's love. Trust me. We can talk about this again when your ready. Until then I will pray for you. I'll ask God to guide you, protect you, and take away all your anger. To give you peace in your heart. I love you! ☺☺☺☺

Dalilah doesn't want to live with you. Thomas is not a drug dealer. He grab her ass 1 time and she told him not to do that. She didn't like it. You wouldn't even know about that if Ari knew how to keep her mouth shut. But you should really be worried about Ari being fingered by Justice or her smoking weed and whatever else she's doing. That 4.0 isn't going to keep her from being knocked up or an addict. So keep pointing that finger you still have three pointing back at you. Fyi my daughter is a good child and we have a great relationship. We are ready for whatever reality check you think you have. Your brainwashing doesn't work on either one of us and you'll never get her to lie to me again. The more you push the more her eyes open.

6:51 PM

Me

Took you all day to come up with that? Haha! Ari is a phenomenal kid. We don't have shit to worry about with her. You finally pressured Dalilah to talk? I dont care if dalilah doesn't want to live with me. Shes a child and will do what is told. So how about you go parent Dalilah the right way and quit worrying about my almost 18 year old daughter

6:57 PM

Me

I don't make her lie to you. I always tell her to be upfront with you. She lies to you because you're crazy and irrational. You're missing the context of my earlier comments. Be a fucking parent and help dalliah with her homework. You're not doing anything but worrying about me and mine. Focus on yours loser

7:01 PM

Angie New Number

I didn't pressure D to do anything. I finally got home from work and we talked. I parent my child just fine. She doesn't want to live with and she's not going to live with you end of story. You think Dalilah isn't a phenomenal kid? That you have shit to worry about with her? If I'm to stop worrying you and yours and that i need to focus on mine then why are we having any of these conversations?

7:06 PM

Me

Jesus psycho. You called d stupid earlier. I know my kid is great. Dont turn this around. You're the fuck up

7:10 PM

Me

Dalilah is apart of MINE stupid. Is she a part of yours?

7:11 PM

Me

Cant tell Hoosier

7:12 PM

JUDY P. 007

Don't know what your talking about. D doesn't want to speak to you. But she would like the money she earned. You are keeping from her something she earned it's not right or fair to her.

Angie can we set up a time to talk on the phone later tonight. just you and I no other outside disturbances. After some reflection on all the texts you've sent I believe I need to listen to what you have to say. It's time for me to listen. I would like to come to a understanding what's best for Dalilah and hope we can come to agreement on this hole matter.

10:46 AM

Angie New Number
Yes we can but only after you drop this custody case and we hire a mediator to sit down and work through this with so we can have a result that is best for Dalilah. I believe this is your best chance at restoring a relationship with Dalilah because I see it plummeting really fast. Plus it will be in Dalilah's best intrest to take this stress off of her. She has enough on her plate just being a tecnage girl.

Can you call me tonight. So hopefully we can come to a conclusion on what's best for Dalilah . Thanks

Angie New Number
Have your lawyer call mine so we can set up mediation.

5:55 PM

Angie New Number
If you're not willing to do it in that manner I am willing to move forward in this case and fight for full custody of Dalilah.

I never would of thought that your spite and control issues would drive you to put our family in a situation where you and I as parents are stripped of our rights to make decisions for our child. What do you expect to gain from all this? Your greed is going to cause you to end up with less then you started out with. Don't you see that? Let me give you some information that might help you see clearly in this situation. I can 100% pass your drug test. I know you were counting on this to not be the case but it is. After that James you have nothing to stand on. On the other hand I have a very solid foundation to stand on and will go to the fullest extent to protect my daughter from any evil that comes against her. That evil has become you. You want to steal our daughter from her home. The place she is content and happy. Causing a serious decline in your relationship with her. Are these the goals you intended on? There's only one way to make this right.

2:57 PM

Angie New Number
I hope you see that and make the best decision for Dalilah and you.

Me
Do you realize I have only talked to Dalilah twice since September 20th. I want to be able to speak often with her to see how she's doing from day to day. I would like to know if there is anything going on. I want to see if I can help her in anyway, but this is very difficult if I can't ever get ahold of her. And they charge me every time i deposit money, it was 50\$ each deposit I made. So its taking money where it could go to better things.Oh and I can't set up direct deposit ever again bc I changed bank accounts and didn't tell them before they withdraw my money . So I just want you to know child support division is a bunch of bull shit.</p>	<p>Mar 1, 2018 3:41 PM</p>

° I'm sorry. That is a waste of a hundred. We appreciate the money. I was sick the entire month of February and was unable to work. The money I had ran out so it's been rough this past week. Now I can pay rent and get D some bras and pads. She's finally taller then me and her foot is bigger then mine. She's growing like a weed. I can barely keep her in clothes and shoes. So ty much. Have a good night.
