

00:05

you know kathleen technically you filed

00:06

the tro in the in the 01 case so

00:09

actually

00:10

we have the gil in this case

00:13

but she's not but she's not here today

00:15

she was noticed do you want me to try to

00:17

call her

00:18

well i i think what we're going to wind

00:20

up doing so that we can get everybody on

00:22

is probably scheduling this for next

00:24

week um and i might be able to do it in

00:26

person at the courthouse so we'll talk

00:27

about that

00:32

but you have a new dash oh too right

00:35

yes that's that's what i was thinking

00:37

this was filed in with vo2

00:40

all right i think this is her

00:57

we're getting a little bit of feedback

00:58

angela if you could disconnect from the

01:01

from your device and just have the phone

01:03

that might be what's causing this um

01:06

the feedback

01:08

oh give us this okay

01:10

is that what she's talking about

01:14

call back

01:18

it's okay

01:21

hi baby

01:35

oh he's

01:39

your leading frightened

02:02

you are in the meeting now there are

02:04

five participants in the meetings

02:10

[Music]

02:14

all right angela can you hear the car

02:16

yes

02:18

okay all right

02:19

so um what i had said where i thought

02:22

everyone could hear and that it was

02:23

clear misfire you couldn't hear is that

02:25

um

02:26

my instinct was to continue today's

02:28

hearing but then ms shaw indicated that

02:30

the child has not been returned

02:32

which the court was under the assumption

02:34

that the child has been returned at this

02:36

point so can you ms reiner can you

02:37

address that or your counsel whoever

02:39

wants to address that that's what the

02:40

court wants to hear from

02:42

what i can't hear you

02:45

i didn't hear you all

02:46

they want to know

02:48

about you delilah's with me

02:50

yes and the court wants to know why you

02:52

haven't returned her because she doesn't

02:54

want to go there she doesn't want to

02:55

live there

02:57

okay but that's not up to delilah the

02:59

court has an order that requires you to

03:01

return the child now but she doesn't

03:03

want to live there

03:05

i understand that and she made that

03:07

position clear and the court in the gal

03:09

still found that it was appropriate to

03:10

order her to be with dad during the

03:13

school year

03:14

um and it's the school year so now she's

03:15

missing school no she's been going she's

03:18

been going to class

03:21

online she's been doing her online

03:22

schooling

03:25

okay well she needs to be back where the

03:28

court judgment says she's supposed to be

03:30

so i need to know when you're going to

03:32

be returning her i want

03:34

james needs to come down and get her i

03:36

already told him that

03:37

okay and the court you know the court

03:39

can order and to do that

03:41

but i'd much rather have everything

03:43

worked out if we're going to have dad

03:44

flying to pick her up

03:48

so i need to know when that's gonna

03:50

happen

03:52

i don't know when that's gonna happen

03:57

well

03:58

ma'am if i may interject her i think

04:01

that what miss reiner is trying to say

04:03

is that

04:04

she doesn't know james's schedule um

04:09

and correct me if i'm wrong miss breiner

04:11

no i don't think that's what you're

04:12

trying

04:13

yeah because we haven't discussed him

04:14

coming down here to get her

04:16

okay and tell me why you would like mr

04:19

judy to fly in versus i mean your

04:21

daughter is old enough to fly alone

04:23

she's coming to see you correct yes

04:26

okay so why why do you want dad to come

04:28

down and pick her up because i don't

04:30

have the money to fly her back

04:32

and she won't get on the plane

04:36

okay

04:37

but you think if dad comes in this dad

04:40

is going to be able to take to get

04:42

daughter to get in the car with him is

04:44

that what you're telling me i don't know

04:46

she tells me she's not going back there

04:49

okay so here's what we're going to do

04:50

then we're going to have to have her

04:52

producer to the courthouse next week

04:55

and uh mr judy i think you're gonna have

04:57

to come in and get her from from the

04:59

courthouse

05:00

i don't

05:01

i don't think there's another way to

05:02

arrange this to make it happen

05:05

um okay so let's pick a day next week

05:07

miss

05:08

my understanding is that you're telling

05:10

me that if the court orders you to

05:12

appear in court next week with the child

05:14

that you're going to comply is that true

05:15

yeah

05:17

okay

05:19

all right

05:20

so you're going to bring the child to

05:21

the courthouse one day next week mr

05:23

judy's looking at his schedule i presume

05:25

telling me a day that will work for him

05:26

to come get the child

05:30

your honor any day would be fine with me

05:32

um i prefer sooner or better so i could

05:34

get her back into school

05:38

we've got court one day so if you want

05:40

to come in on monday and

05:42

monday

05:44

you are may we may we do wednesday

05:52

let me see if i actually have a spot

05:53

where i can put you isn't easier

06:01

yeah tuesday or wednesday i can fit you

06:03

in

06:04

i'm just trying to wrap up a project

06:06

that uh we have a deadline on

06:09

wednesday

06:11

yes i appreciate that okay

06:14

miss reiner can you bring your daughter

06:16

to court on on wednesday february 3rd

06:19

yes

06:21

okay

06:22

all right what time does everyone want

06:24

to do this i want to make sure that dad

06:26

has time to get into town and um

06:30

we do it at a time that works for

06:31

everybody

06:34

um earlier this is better that's fine

06:37

with me

06:40

well court i'm there i'm there

06:42

about 7 30 every day i can put you at

06:45

eight if you want to do great birthing

06:46

in the morning i could put you in ten

06:49

yes that'd be fine i think i'll try and

06:51

play out there oh well i will play out

06:53

there

07:00

not yeah

07:28

3rd which is wednesday at 8 a.m

07:32

at that point in time

07:33

the only thing that we're going to be

07:34

doing is an exchange of the child we're

07:36

going to be doing it in my courtroom

07:39

i'm going to instruct the people

07:40

downstairs at the courthouse to let you

07:42

in we are just now transitioning singers

07:45

cross to phase one on monday

07:49

if we don't transition to phase one i

07:51

will have to figure out what happens

07:53

because they won't let you up to my

07:54

courtroom we'll have to do it in the

07:55

lobby but to provide that we transition

07:58

to phase one which we are supposed to on

08:00

monday

08:01

then you should be able to be in my

08:02

courtroom for the for the transfer

08:05

at eight on the third okay

08:08

and i will let them down their security

08:10

net set that you guys are all going to

08:11

come up the three of you

08:13

um mitchell

08:15

it will be up to you i don't think you

08:17

need to appear

08:18

and then if there's an issue we can get

08:20

you on zoom if you want to do that um

08:21

same thing with you can um i assume

08:23

you're still moving us when your motion

08:25

was dropped today but same thing we

08:27

don't need counsel

08:28

unless we have an issue then i can get

08:30

everybody on

08:31

um

08:32

miss reiner what's your position on your

08:34

on your council's motion to withdraw i'm

08:37

all right with that

08:39

okay

08:42

okay so i'm going to go ahead and enter

08:44

the explosion over here i'm going to

08:45

grant that as of today

08:49

and um

08:50

daniel will be out of the cage as of

08:52

today

08:53

and then

08:54

like i said i'll enter that other order

08:56

by consent i appreciate everybody

08:57

working together on that and does

08:59

anybody have any questions about next

09:01

week

09:04

no okay

09:05

my understanding ms michelle is that

09:08

this will obviate

09:10

the majority of your tro once we get the

09:12

daughter back over to dad for his

09:14

custody periods we will have what i will

09:17

do on

09:18

actually we should set it now we'll send

09:20

another conference but let's go ahead

09:21

and set it now so that we have the date

09:23

that we'll do this

09:25

so we probably should have a conference

09:27

i would say

09:29

within

09:32

i don't know do you think we need

09:34

three weeks four weeks i want

09:37

i want time for the gal to if she needs

09:40

to do any additional work and maybe once

09:42

we get the tren the transfer things will

09:45

die back down but let's just figure that

09:47

out

09:48

michelle what do you think

09:53

i'm sorry judge i'm getting a text uh

09:55

from the guardian atlanta

09:57

could you spend this

10:07

a settling conference for the motion to

10:08

modify judge

10:10

yeah i think i think

10:12

if i'm right and things go like they're

10:14

supposed to and everyone's telling me

10:15

they will next week and i think the next

10:18

date we need is just a normal settlement

10:19

conference and i think we'd want to put

10:21

it out you know maybe 30 days

10:23

um

10:24

obviously if there's an issue on

10:25

wednesday then we would do something

10:27

different but i want to at least have

10:28

something scheduled you know how i like

10:30

to have everything yeah i appreciate

10:32

that

10:33

i'm just wondering judge um

10:35

doing a little

10:37

potential problem analysis here

10:39

should we set the tro for for wednesday

10:42

next

10:44

so that if there's a no-show we have

10:46

something to proceed upon yeah you know

10:49

well you're gonna you're gonna be able

10:50

to perceive upon this consent order but

10:52

yeah i mean i i don't mind continuing it

10:54

until the child is actually returned

10:56

that makes sense

11:00

um

11:14

was filed on january 20th

11:16

shall we go out to february 22nd 23rd or

11:20

24th yeah that's fine

11:24

oh

11:25

angela i guess that's your other device

11:27

that's been saying i still have

11:28

something in the way you can still hear

11:29

me right yes

11:31

okay

11:32

um

11:34

is venus in the waiting room judge no i

11:36

i i thought we had someone else in the

11:38

winger but it turned out to be angel i

11:39

want to make sure i hadn't lost her no

11:42

venus hasn't joined us yet

11:45

nope there she is

12:00

you
