

## *Just Before The Hearing*

### **My Notes as Judge is speaking:**

- Asks that James Sullivan unmute himself and identify himself
- True and accurate name
- Silence
- If refuse to do so you'll be deleted from this event
- Court believes you may have gone into the Breakout Session with Counsel
- Very dim view of that
- Individual indicating he is James Sullivan please identify yourself
- Silence
- If Mr. Sullivan refuses to identify himself he will be excluded from the room

\* That's fine with Ms. Tolu

\* Time is passing

**Judge:**

- Jail is not here
- We will have a Breakout Room for everyone BUT FOR the individual known as James Sullivan who is not authorized to be here, refuses to identify himself
- Court is concerned that he did by happenstance have the ability to go into the Breakout Room
- I will have a Breakout Session with everyone online BUT FOR James Sullivan.
- Will proceed with the hearing - Unfortunately waiting for Ms Freiner to appear but don't know the holdup
- They said it would be 5 minutes ...it's been in excess of that amount of time
- We need to have this heard today
- Will begin to create the Breakout Room

*(Note: I'm joining the new Breakout Room now)*
