<p>Venus, Why are you worried about being recorded? It is a simple question. Where is Dalilah? That deserves a simple answer. You have the information and it is my right to know. It has been 3 months since anybody has heard from Dalilah or has known where she is. I do not have any information on this court date you speak of. Nothing in regards to that has been sent to me. <p>Ms. Freiner, I repeat any conversations about the child in question will be answer in Court, as I stated before you can contact her Father if you want information outside of Court. Because this is a confidential case I will not be discussing anything further using this media. Thank you have a good day. Sincerely, Venus A. Jackson, Esq.</p>

Then you Mrs. Jackson are a part of the force disappearance and the molestation of my daughter. You under estimate me and my ability to bring this into a real court of law and have everyone be held responsible for what you are doing to me and my child. Your immunity is not going to save any of you involved in this. You will be held responsible for your actions. Just because I am poor doesn't mean I will not find justice for Dalilah in a court of law. The people are not going to continue to allow this kids 4 cash to continue on. We are coming together to end this and save our children. You need to ask your creator for forgiveness. Forgiveness for what you have allowed to happen to so many children that you were suppose to protect.
