		<p>Email to Social Worker <i>Hi Alex, This is Angela Freiner Dalilah Judy's Mother. I would like to know the whereabouts of my daughter. The Gal Venus Jackson said she does not have that information and her dad will not respond to me. He sent me a message stating that she was in a facility and that he has not heard from the social worker and the only communication is via mail but does not have Dalilah's PO box number yet. The last time she called me was March 31 telling me they were moving her, and she couldn't tell me where then the call ended. From my perspective, my daughter is missing and has been kidnapped either by the state or by her father. I am under the impression that Dr. Wenzinger is the doctor making medical recommendations for Dalilah and her treatment. if you can contact me asap, I would appreciate it.</i></p> <p>A. Freiner Alix never contacted Angela.</p>		<p>Last time James communicated with Angela. Doc attached.</p>
