Cause No.: 14SL-DR02617-02

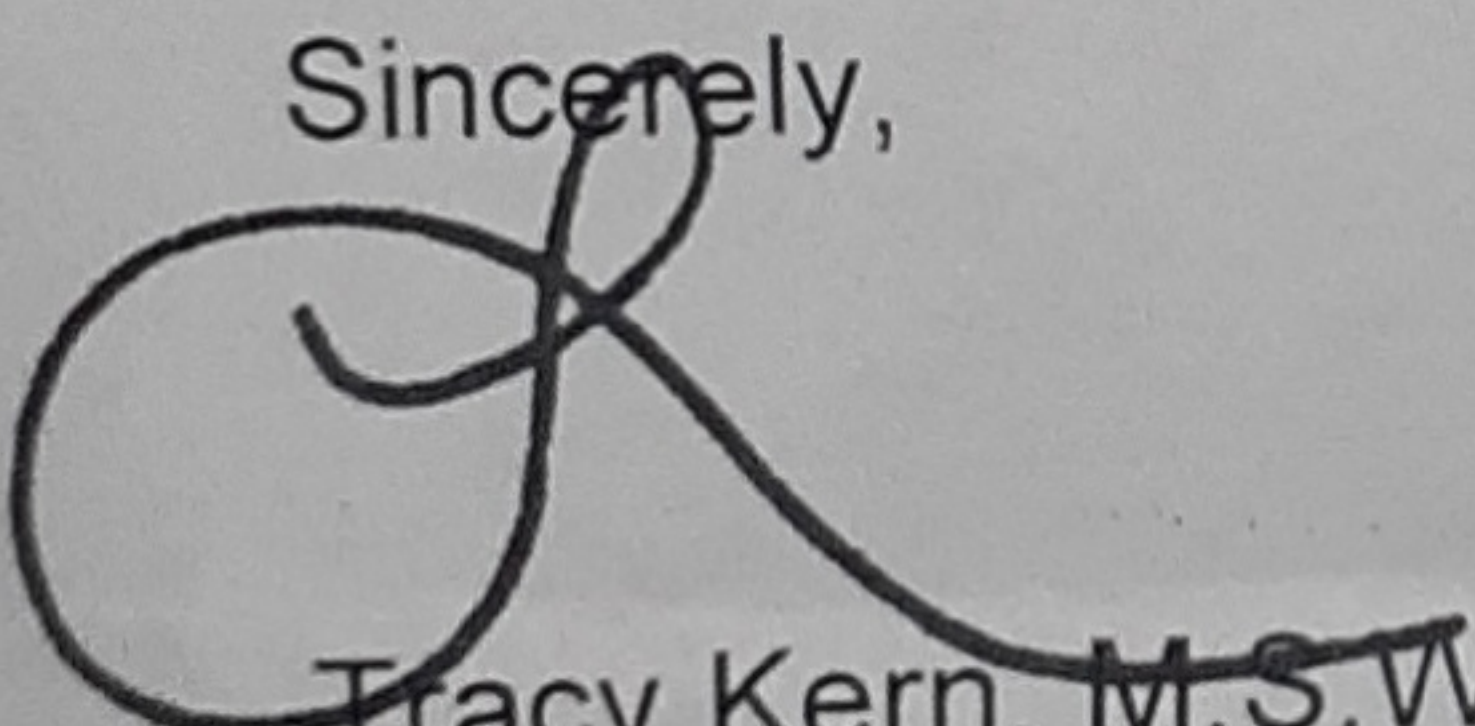

Dear Ms. Freiner:

As you may know, you were recently referred by Judge Heggie to this office for services related to your custody arrangements. I am writing to let you know that I will be handling your case.

Unless we make specific arrangements to the contrary, I will meet separately with each of you to gather background information and begin to develop an approach to resolve your custody issues. I will explain possible approaches at our first meeting. Also, if you have not yet completed the Mandatory Parent Education Class that you were expected to complete within 45 days of filing or being served with the Petition please do so (it is available online). I have enclosed that information for your convenience.

I can be reached at 314.615.8097 or Tracy.Kern@courts.mo.gov. Please contact me promptly to set up your individual appointment. I look forward to hearing from you.

Sincerely,

Tracy Kern, M.S.W.
